New Design & Build Projects for Frogmore

Alexander & Law has been awarded two new design and build contracts for Frogmore Property Company.

The first project located in Old Street, London EC1 involves the conversion of an old BT canteen facility to create two new retail units at ground floor and basement levels. The project also includes the design and construction of a new steel framed extension to the side of the building.

The second project located in Devonshire Square, London EC2 involves the conversion and fitting out of a six storey building to provide new Cat A office accommodation. Works include the provision of new suspended ceilings, raised floors, toilets, renewal of all services including a new lift. External works include structural repairs, stone and brick restoration and the replacement of windows. The building is in a conservation area.

William G Dick Partnership are Contract Administrators and Quantity Surveyors for both projects. Alexander & Law has appointed The Crane Partnership to undertake architectural design.
