Alexander & Law complete £9.7 million Teddington Studios Project

Alexander & Law has completed a contract at Teddington Studios for The Haymarket Group, valued in excess of £9.7m.

The refurbishment and CAT B fitting out contract created 80,000 sq. ft. of offices on the site of Teddington Studios, providing accommodation for approximately 800 people.

The office accommodation is located in 3 inter-connecting blocks, which have been completely refurbished and fitted out. Internal works included structural alterations with new structural steelwork, provision of new structural floors, extensive re-plastering, new raised flooring, new ceilings, partitions and joinery, floor coverings and finishes. New mechanical, electrical and plumbing installations were provided including 4 new lifts.

External works included the renewal of all windows and doors, renewal of roof coverings and skylights, formation of new openings, alterations to above and below ground drainage installations and the resurfacing of the car park.

The works were carried out adjacent to the fully operational film and television studios.
